

LABEL ONE

ABOUT ME

TODO — Write two or three sentences about who you are. Where you grew up, what pulled you into computer science, what you are working on right now.

TODO — Write one more paragraph. What are you curious about at the moment? What kind of problem do you enjoy sitting with?

STUDYING	B.Tech Computer Science & Engineering
INSTITUTE	National Institute of Technology, Warangal
YEAR	Third
BASED IN	<i>TODO — your city</i>
CURRENTLY	<i>TODO — what you are learning or building</i>

LABEL TWO

PROJECTS

Things I built, broke, and mostly fixed.

LABEL THREE

SKILLS

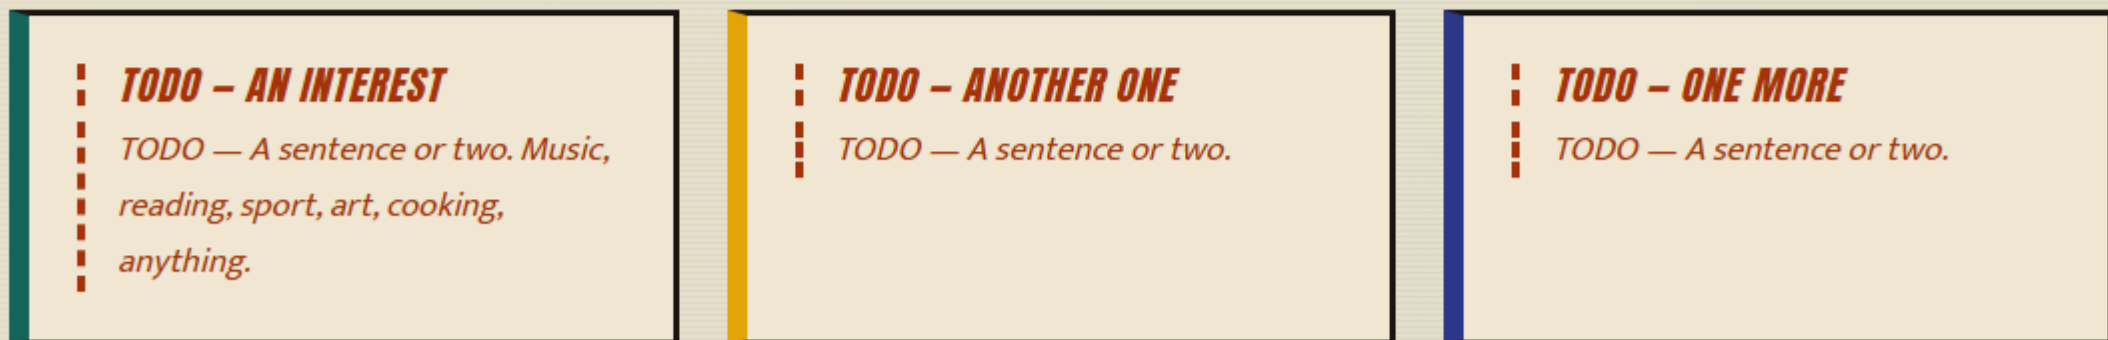

Replace these chips with what you actually use. Delete the rest.

LABEL FOUR

BEYOND CODE

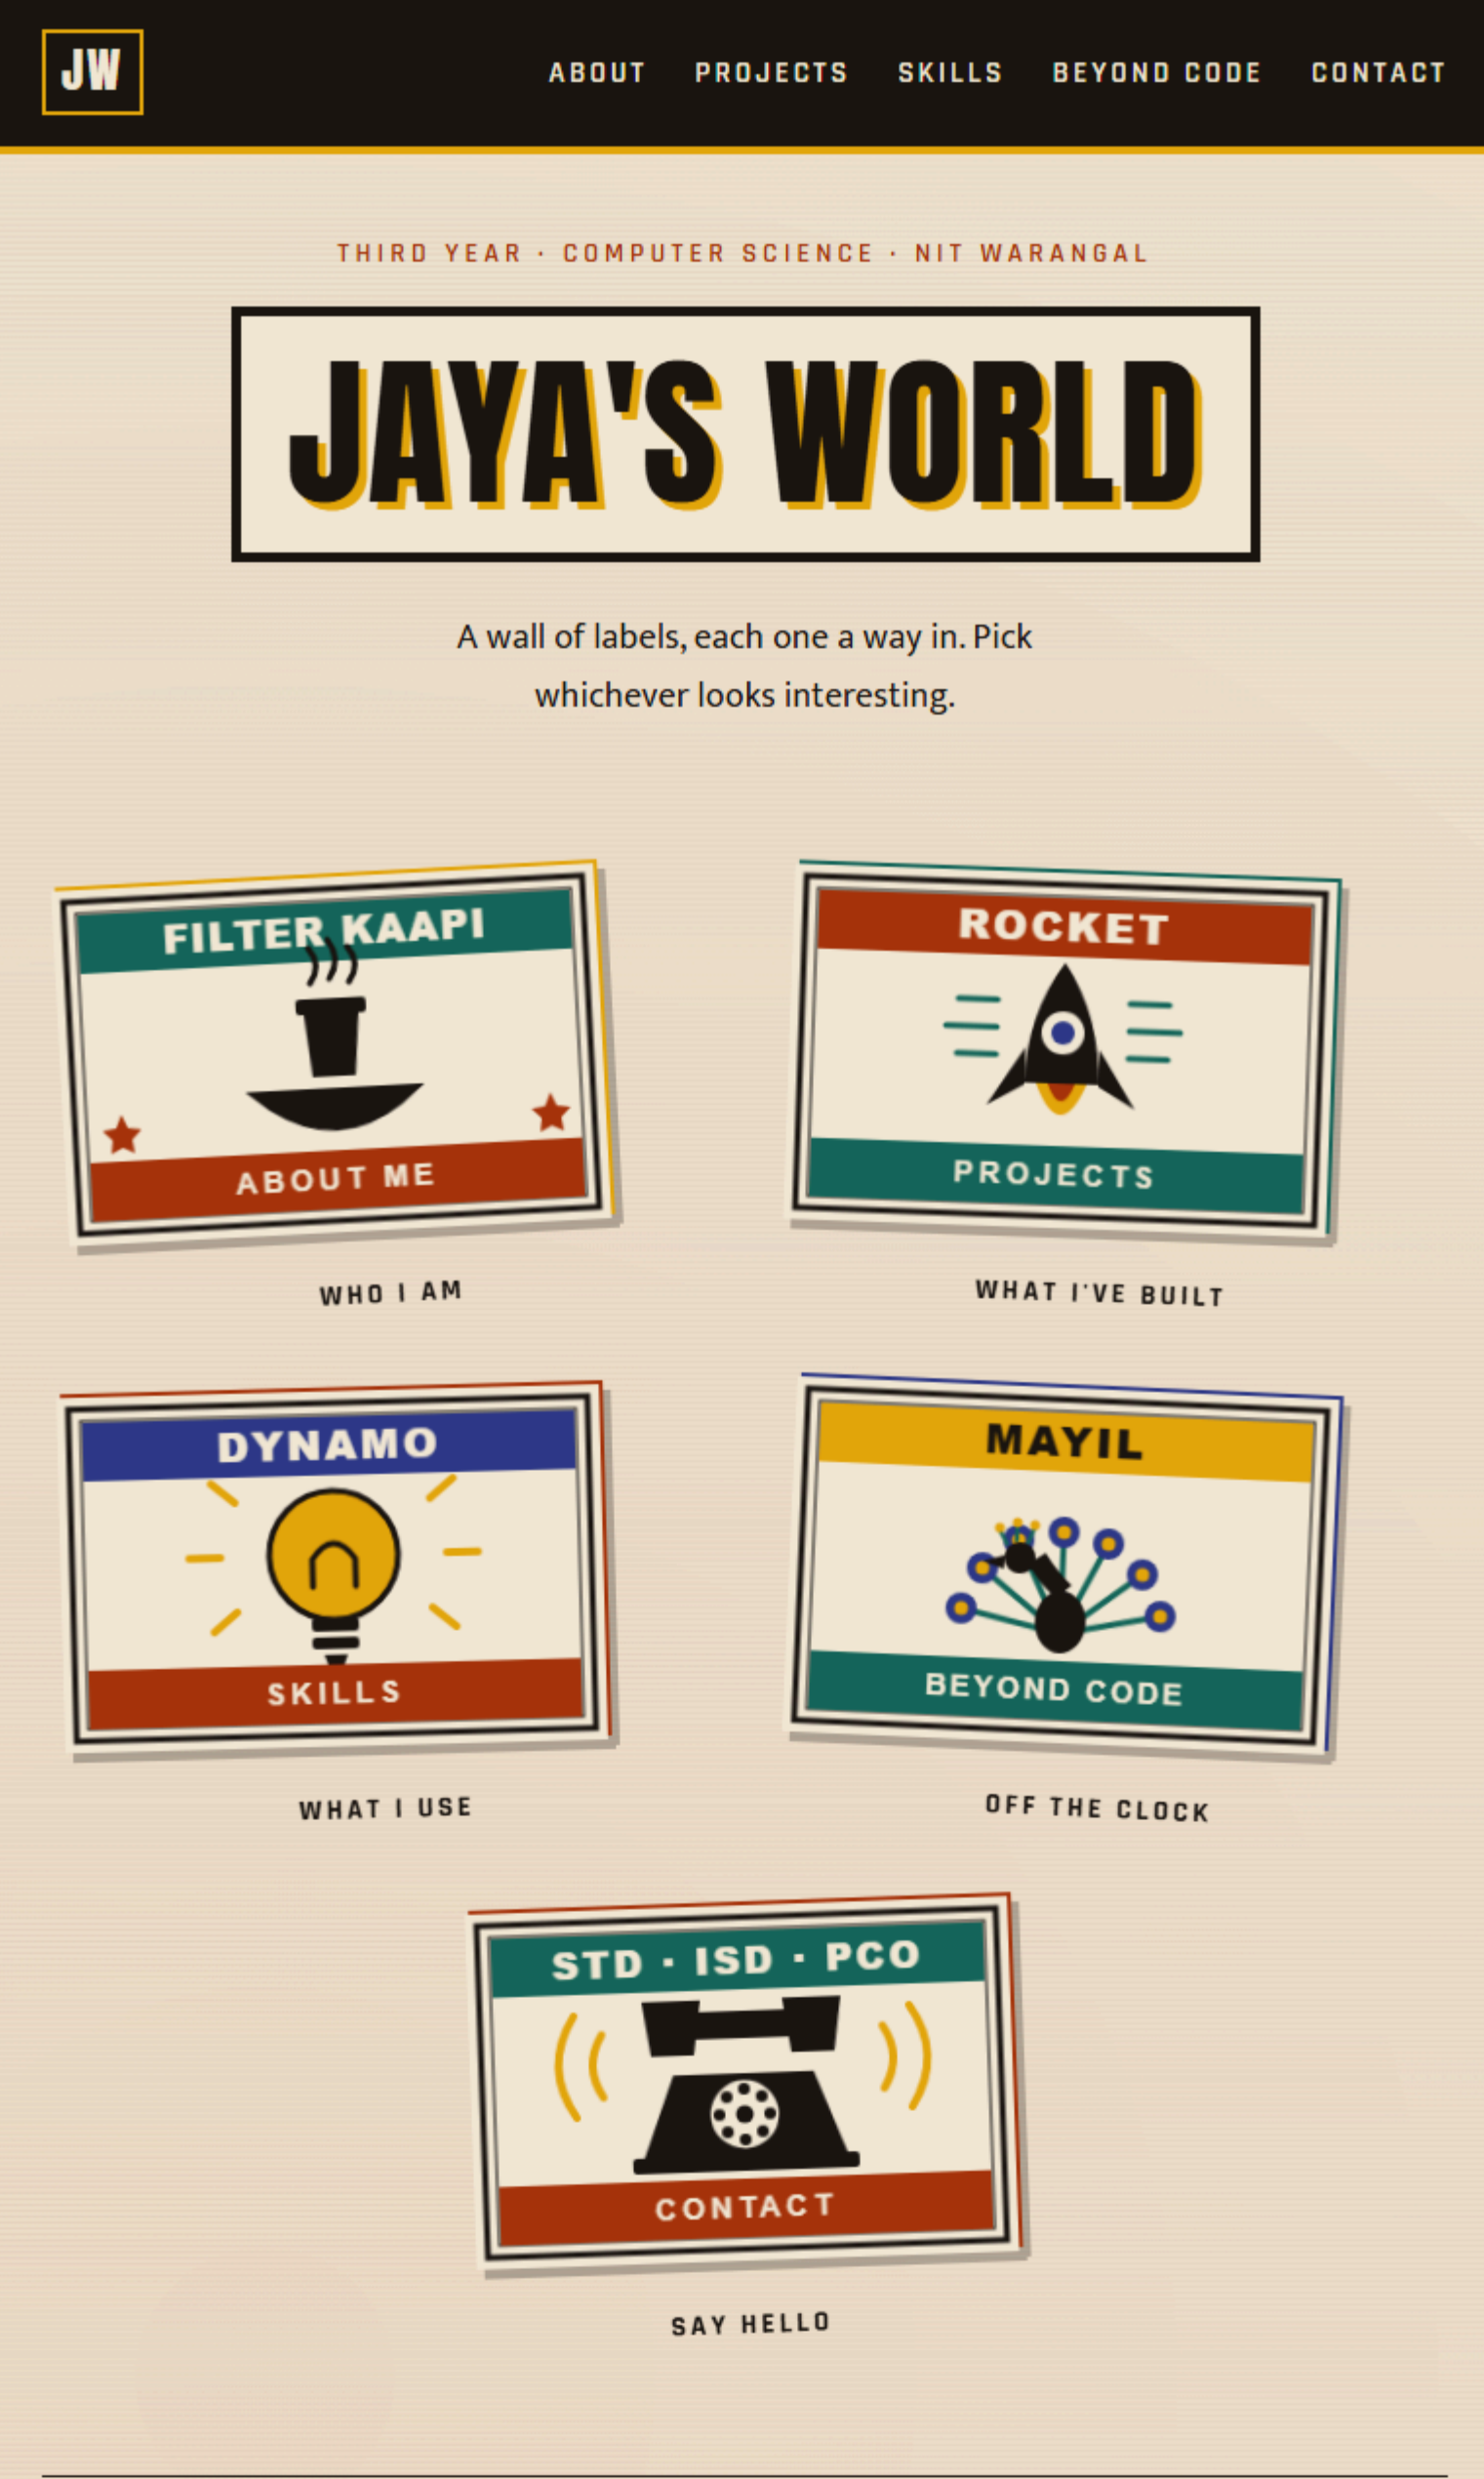

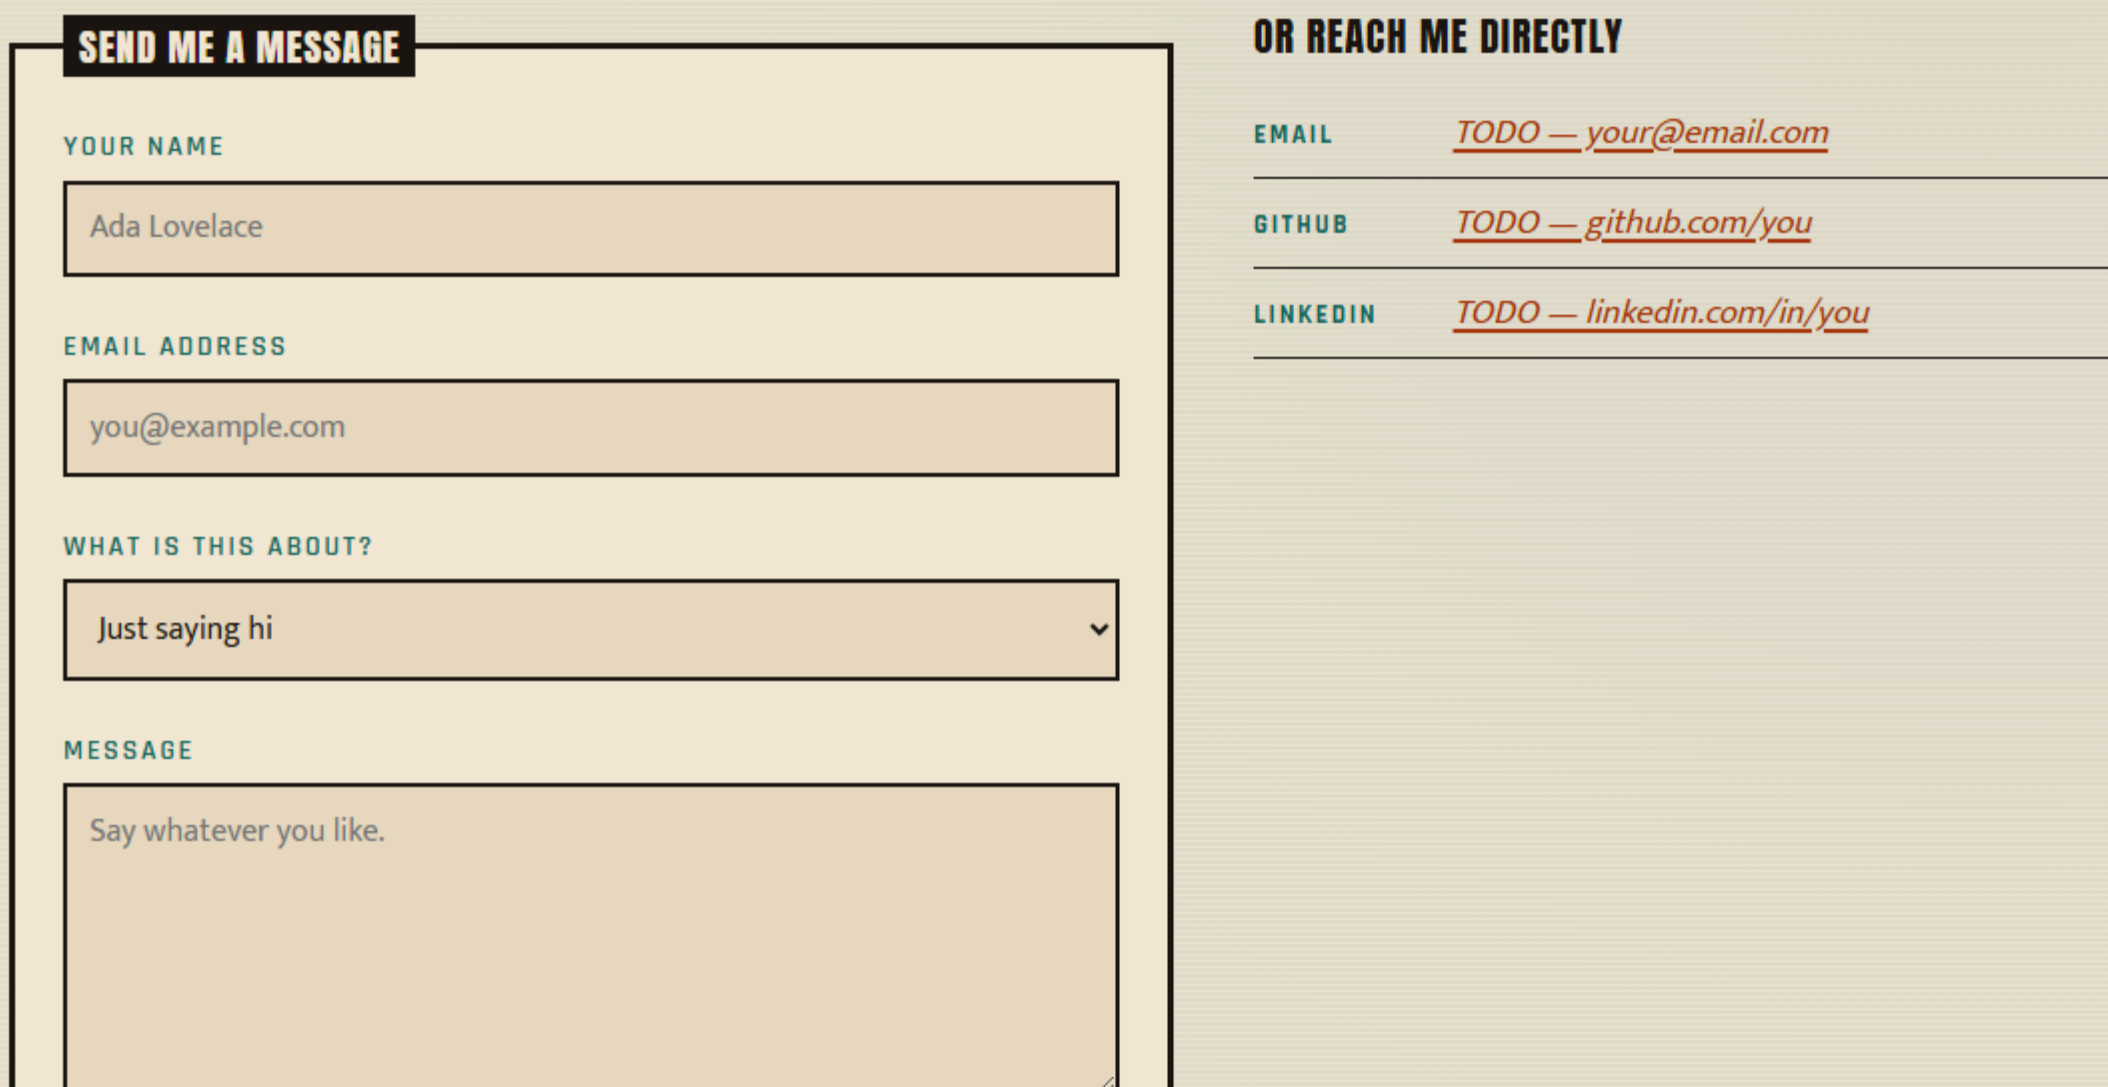

The parts that do not compile.

LABEL FIVE

CONTACT

The booth is open. Leave a message.
